ABOUT US

Imagine a world where surfaces defy the impossible. Technology constantly overcomes new challenges to create exceptional, globally recognized products. Motivated by the value of innovation, Virgo began its journey 30 years ago, and the rest is history. Over these three decades of corporate excellence, Virgo Laminates has continually

innovated in technology, raw materials, processes, and techniques to achieve world-class standards and set new industry benchmarks.

As a global leader in decorative laminates and surface solutions, the organisation has a strong presence in over 90 countries across five continents. Focused on manufacturing superior products, the organisation serves as a global manufacturing hub with an annual production capacity of over 3500 million sqft of HPL.

At Virgo, we don't just meet our customers' expectations; we strive to exceed them every time. Our dedicated workforce of over 2,000 employees is trained to achieve this goal, and many more will be joining the Virgo family. Our modern production unit offers numerous products catering to the global market, all aimed at ensuring 100% customer satisfaction.

Virgo's remarkable expansion isn't limited to vertical growth as a global decorative laminate leader, but it also extends laterally into interior architectural products and aluminium. This demonstrates Virgo's commitment to innovation and exploration for our stakeholders and partners.

Deeply rooted in the Indian values of *"वैराग्यो विमुक्तये"*, we believe that the world is one. Inspired by this, Virgo prioritizes the community and the environment, placing strong emphasis on overall sustainability. These values are central to all our new product developments, including raw materials, processes, and technology. Sustainable development is the way forward at Virgo.

ACTUAL IMAGE

MISSION

A world-class manufacturing hub driven by constant innovation, Virgo prioritizes customer requirements and interprets global trends to deliver top-of-line products. We are committed to delivering exceptional services and support for customer delight at every step.

VISION

At Virgo, we are dedicated to staying ahead of global competition and setting new industry benchmarks through constant innovation and evolution, including new processes, technology, and techniques for product development.

VALUES

Virgo consistently exceeds its previous accomplishments by optimising resources to achieve global efficiency levels. This involves ongoing workforce training enhancements meticulous technology and process implementation and revision, dedicated research and development, and the implementation of waste reduction strategies to strengthen sustainability.

ECOLOGICAL

INCORPORATING CLEAN TECHNOLOGY

At Virgo, our products are ecologically produced, using natural raw materials, producing low emissions, durable in quality, offering easy recycling and disposal solutions.

HIGH PRESSURE LAMINATES

VIRGO
LAMINATES

— HIGH PRESSURE LAMINATE —

Experience the perfect harmony of design and durability with VIRGO laminates, crafted to meet the highest standards of quality and style. These laminates bring your vision to life, offering innovative designs and superior performance for all your interior needs. With an array of colors, patterns, and textures, VIRGO provides the versatility to create stunning and personalized spaces. VIRGO Laminates are made of different layers of impregnated decorative papers and kraft papers. Upgrade your interiors with VIRGO laminates, the smart choice for those who value both aesthetics and practicality.

High Density
& Strength

Resistance to
Scratches & Cracks

Moisture &
Heat Resistance

Variety of Colors,
Patterns & Textures

Easy to clean
& maintain

ADVANTAGES

- Durability and long lifespan
- Low maintenance costs
- Resistant to wear and tear
- Versatile design options
- Easy to install
- Cost-effective

APPLICATION AREAS

- Countertops • Wall panels • Ceiling panels • Countertops and Worktops
- Kitchen and Bathroom Surfaces

— LAMIFLEX —

"Lamiflex" represents a specially formulated grade of laminate possessing the well-established attributes of standard-grade high-pressure laminates. This variant is uniquely capable of being shaped into uncomplicated cylindrical concave or convex curves. The resulting curved surfaces, devoid of discernible seams, often present a more aesthetically pleasing appearance compared to sharpened edges found on both internal and external angles. Additionally, these curved surfaces eliminate joints that tend to accumulate dirt and water.

Smooth &
Curved Edges

Stain

Scratch
Resistance

Impact
Resistance

Moisture
Resistance

ADVANTAGES

- Maintains a pristine appearance over extended use and time.
- Suitable for areas exposed to frequent handling and usage.

APPLICATION AREAS

- Wall Panel • Reception • Doors • Partitions ideal for vertical applications only.

COMPACT

LAMINATES

COMPACT

Virgo Compacts are the ultimate choice for surfaces that demand both style and substance. Our compact laminates are crafted by combining decorative paper (melamine resins) and Kraft paper (reinforced with layers of phenolic), which are then fused together using thermosetting resins. This rigorous process ensures a durable and versatile product, perfect for high-performance applications ideal for retail shops, airports, shopping malls, offices and buildings, healthcare facilities.

ADVANTAGES

- Crafted for both vertical and horizontal applications, these are durable and self-supporting decorative panels

APPLICATION AREAS

- Residential spaces (Apartments) • Modular restrooms • Cubicles and Partitions
- Institutional Furniture • Lockers • Commercial spaces

CUBICO

Virgo Cubico stands as a leading supplier of advanced washroom and locker solutions, featuring high-performance laminates acknowledged for their durability and adherence to fire safety standards. Our comprehensive product range caters to diverse sectors including restroom cubicles, corporate, healthcare, education and government, enriching facilities with High Pressure Laminates (HPLs) and cubicles that blend aesthetic appeal with water, fire resistance, and anti-bacterial properties.

ADVANTAGES

- Hygienic and easy to maintain
- Resistant to harmful germs and cleaning agents
- Prevents 'door banging' sound
- Wide spectrum of colors to choose from

APPLICATION AREAS

- Restroom Cubicles • Locker room • Washroom • Shower room • Office cubicle • Changing Rooms

CLADDICE

The use of exterior grade laminate emphasises the balance of durability and aesthetics. Virgo has excelled in this area, solidifying its position as a key player in the laminates industry. Given the dynamic climate and diverse weather conditions, the need for enduring solutions against external elements is paramount. In response, Virgo Claddice introduces wall claddings engineered to withstand extreme climatic conditions. These claddings not only safeguard exteriors but also deliver exceptional visual appeal.

Anti-Bacterial

All Weather Safe

Energy Saving System

UV Resistance

Design and Shade consistent with each other

ADVANTAGES

- Excellent light-fastness • Fire-Retardant • Anti-Graffiti • Temperature Resilient
- Environment-Friendly • Green DNA, Urea Free • Saves up to 30% energy

APPLICATION AREAS

- Hospitals • Hospitality • Retail Outlets • Educational Institutes • Public Institutions • Apartments

GIVE YOUR
SPACES
A TOUCH OF
LUXURY

SPECIALITY LAMINATES

ABIOTIC

Abiotic laminates have been designed to enhance surface performance with exceptional hygiene standards. Through the incorporation of specialized additives, these laminates effectively inhibit the growth and proliferation of bacteria by 99.99% within a 24-hour timeframe. Additionally, the surfaces demonstrate uniformity and non-porous qualities, thereby exhibiting outstanding performance and hygiene.

Hygienic

Anti-Bacterial

Anti-Fungal

Anti-Microbial

ADVANTAGES

- Inhibits bacterial growth, ensuring surfaces remain sanitary
- Withstands daily wear and tear
- Protects against damage from pests, enhancing longevity
- Maintains a pristine appearance even under frequent use

APPLICATION AREAS

- Countertop • Cabinetry & Case Work • Premium Residential • R&D/Pathological Labs
- Hospitals • Restaurant

FIRE SHIELD

Halogen-free fire-retardant laminates, represents a distinctive category of laminate. This product complies with the rigorous standards of ASTM and NFPA, warranting an exceptional Class 1 grade performance for fire resistance. When combined with suitable substrates and adhesives.

Fire Resistant

Highly Decorative

Stain Resistant

Scratch Resistance

ADVANTAGES

- Minimizes risk in the event of a fire with reduced flame spread
- Increases safety with self-extinguishing properties
- Offers durability against physical impacts

APPLICATION AREAS

- Multiplexes • Educational Institutes • Hospitals • Public Spaces • Hospitality
- Commercial Buildings

ELECTRO-STATIC-DISSIPATIVE

Virgo's Electro-Static-Dissipative Laminates designed to effectively dissipate charges and repel dust particles. The top layer of these laminates showcases superior static charge dissipative properties. Through the incorporation of a special conductive layer, these laminates ensure the secure discharge of static charges when appropriately grounded. This feature serves to minimise damage to sensitive internal circuits and has the potential to contribute to around 30% increase in the productivity of electrical devices.

Electrostatic
Dissipative

Highly Decorative

Durable

ADVANTAGES

- Promotes a safer environment by mitigating electrical hazards
- Keeps surfaces clean and reduces maintenance needs
- Protects sensitive equipment, prolonging lifespan and reliability

APPLICATION AREAS

- Horizontal and Vertical application • Factories and assembly lines • IT Offices
- Electronic manufacturing & Repair • Data Centers

— SYNCHRONOUS —

Synchronous is meticulously crafted to replicate the appearance and texture of wood veneer with unparalleled realism. It's finely synchronized texture renders it virtually indistinguishable from genuine wood surfaces. The design and pattern of Synchronous closely resemble the natural grain and feel of wood, offering a tactile experience that is highly desirable. This makes it an excellent choice for various applications where the aesthetic appeal of wood is desired, while benefiting from the durability, affordability, and ease of maintenance that Synchronous offers. Whether for furniture, cabinetry, or other interior design elements, Synchronous seamlessly provides a convincing wood-like appearance.

ADVANTAGES

- Maintains a clean and pristine appearance over time
- Withstands high temperatures without compromising quality
- Ensures durability against physical wear and tear

APPLICATION AREAS

- Wall Panels • Cabinetry • Reception Areas • Office Spaces • Wall Cladding
- Retail Displays

SHINY+

The SHINY+ series encompasses laminates characterised by a resilient high-gloss surface that demonstrates exceptional resistance to micro-scratches and abrasions, thereby preventing mar and scuff marks. Mar resistance denotes the surface's ability to endure permanent deformation and micro-scratches resulting from dynamic mechanical forces. The unparalleled combination of a highly reflective surface and exceptional resistance ensures the ability to handle laminates without concern for damage.

↑ Apt. for Vertical places

☀ Wet Heat Tested

✦ Gloss Level 110 at 60° Angle

☼ Stain Resistance

☀ Dry Heat Resistance

☼ Micro Scratch Resistance

☼ Dry Heat Tested

ADVANTAGES

- Retaining its appearance and functionality
- Delivers high gloss, enhancing the visual appeal of any space
- Facilitates easy cleaning and maintenance by preventing stains

APPLICATION AREAS

- Office Furniture • Kitchens • Reception/Retail Spaces • Restaurant/Bar area • Wardrobe
- Wall Panel/Display Shelves

DIGI LAM

Virgo Digi Lam offers the opportunity to preserve cherished memories or enhance any surface with a preferred laminate. This versatile solution allows for the personalization of surfaces with the option to extend designs across various surfaces or select specific areas for emphasis. Digi Lam presents a wide array of colors, unique designs, textures, and patterns, enabling the infusion of a personalised touch into home decor. Embrace creative freedom and customization with Virgo Digi-Lam.

☼ Made using special digital technology

☼ Hi resolution print quality (no printing grains)

☼ Application areas are wide and expansive.

☼ Colors & patterns gives photographic quality

☼ Designs are inspired out of the latest trends in parallel interior products like wallpapers, upholstery, and paints.

ADVANTAGES

- Offers tailored solutions to fit specific design needs
- Maintains a pristine appearance against daily wear
- Gives superior print quality
- Easy to clean and keep looking new over time

APPLICATION AREAS

- Reception Area • Living Room • Kids Room • Tabletop • Corporate Offices

WRITEMATE

WRITEMATE'S MARKER BOARD offer a superior solution for schools and offices, providing smooth, wipe-clean surfaces that erase marker marks without leaving any residue. These laminates ensure effortless cleaning of both dry and wet erase marks.

MAGENETIC MARKER BOARD Write, wipe, and stay organized with our Magnetic Marker Board, featuring a convenient magnet for storing your duster and marker. Perfect for offices & classrooms, this board keeps your space clutter-free.

WRITEMATE'S CHALK BOARD designed for effortless erasure of standard writing chalk. The panels are precision-trimmed. The result is a premium, eco-friendly chalkboard surface that's perfect for schools, offices and homes, providing a smooth writing experience and easy cleaning.

Stain Resistance

Scratch Resistance

Impact Resistance

Moisture Resistance

ADVANTAGES

- Cost-effective Chalk Boards
- High-contrast surface for clear visibility
- Smooth, consistent surface for seamless writing
- Easy erase, quick cleaning for both dry & wet marks

APPLICATION AREAS

- Ideal for vertical usage • Conference Room • Auditoriums • College • Institutions

CORE-SHADES

Core-Shades Laminates present a unique amalgamation of premium decorative laminates and consistent solid colors. Our laminates bring vibrancy and durability to your surfaces, with a wide range of colors and patterns that resist fading and dulling, ensuring your tabletops and countertops remain a stunning focal point in your space for years to come. The sophistication of this design embodies a pinnacle in the realm of laminates.

Unicolor Core

Discards dark edges

Ensures long-lasting durability, even in high-traffic areas

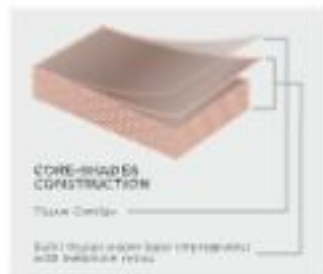

High abrasion surfaces

ADVANTAGES

- Ensures long-lasting durability, even in high-traffic areas
- Maintains the vibrancy without fading over time
- Simplifies cleaning, keeping surfaces pristine with minimal effort
- Ideal for both horizontal and vertical applications, providing design flexibility

APPLICATION AREAS

- Cabinets • Residential and commercial countertops
- Doors • Exhibits • Signage • Shelves • Furniture

LAB SHIELD

Experience the exceptional properties of Lab Shield, a meticulously engineered laminate treated with Electron Beam technology to offer unmatched resilience against harsh chemicals such as acids, alkalis, and reagents. Its remarkable chemical resistance ensures longevity, rendering it suitable for deployment in disposable areas within laboratory settings. With its superb quality and visual appeal, Lab Shield affords the flexibility to adorn spaces with unfettered creativity.

Anti-bacterial

Chemical Resistant

Cleaning agent-resistant

Stain Resistance

Scratch Resistance

Dry Heat-resistant

ADVANTAGES

- Enhances safety by resisting harsh chemicals, preventing accidents and contamination
- Long-lasting durability ensures minimal need for replacement, saving costs over time
- Hygienic surface prevents bacterial growth

APPLICATION AREAS

- Nurses' stations • Physician and dentists' examining and treatment rooms
- Laboratories and pathologists' workrooms • Educational laboratories • Product testing facilities
- Beauty salons

SPOTLESS

Spotless Laminate represents a harmonious blend of aesthetics and functionality. Its exceptional fingerprint resistance, soft finish, anti-bacterial properties, and innovative technology render it an exemplary choice for individuals seeking both elegance and practicality in their decor surfaces. Whether applied in residential or commercial contexts, these surfaces are engineered to make a lasting impression while upholding the integrity of the space's design.

Fingerprint Resistance

Easy to clean and soft to touch

Electron Beam Curing (EBC) Technology

Anti-Bacterial & Hygienic

Scratch Resistance

ADVANTAGES

- Provides a luxurious feel
- Ensures surfaces are sanitary
- Results from meticulous development for optimal quality

APPLICATION AREAS

- Retail counters • Kitchen interiors • Bathroom interiors • Furniture and wardrobes

METADÉCOR

For an ultra-modern touch these metallic foil laminates are renowned for their metallic radiance. MetaDecor Laminates is made in the same fashion as standard HPLs, they are hassle-free and dust-repellent solutions.

Natural Metallic Look

Heat Resistance

Highly Decorative

Stain Resistance

ADVANTAGES

- It guarantees an appealing look, suitable for luxurious hospitality environments and high-end residences
- The combination of abrasion and stain resistance minimizes the need for frequent maintenance, saving time and resources
- Ideal for vertical application

APPLICATION AREAS

- Wall Panel • Reception • Doors • Partitions ideal for vertical applications only

CONTOEURTOP

Elevate your kitchen design with Virgo's stylish and functional countertops. A thoughtful countertop choice can transform your kitchen into a hub of efficiency and elegance. Our horizontal application countertops, crafted with high-quality decorative compacts, offer a perfect blend of style and durability. These sleek self-supporting compacts are engineered for resilience, resisting abrasion and scratches with ease. With effortless installation, our countertops harmoniously merge beauty and strength, creating a stunning centerpiece for the heart of your home where memories and meals are made.

Abrasion Resistant

Scratch-Resistance

Stain Resistance

Highly Durable

ADVANTAGES

- Withstands scratches and wear without compromising its surface quality
- Repels stains and spills, making cleaning and maintenance a breeze
- Built to last, withstanding heavy use and maintaining its appearance over time

APPLICATION AREAS

- Kitchens • Workspaces • Lounges • Cafeterias • Break Rooms • Bathrooms • Classrooms
- Reception Areas • Breakfast Bars

TABLEAU

Welcome to the realm of TableAU, where the ordinary transforms into the extraordinary. We invite you to explore a world of effortlessly elegant and ready-to-install worktops that redefine the art of interior design. Crafted with meticulous attention to detail, these worktops embody the perfect fusion of form and function. TableAU is not just furniture; it's an embodiment of innovation, style, and functionality.

- Worktops • Residential • Schools • Hospitals • Restaurants

SMART
CHOICE
FOR A SAFER
FUTURE

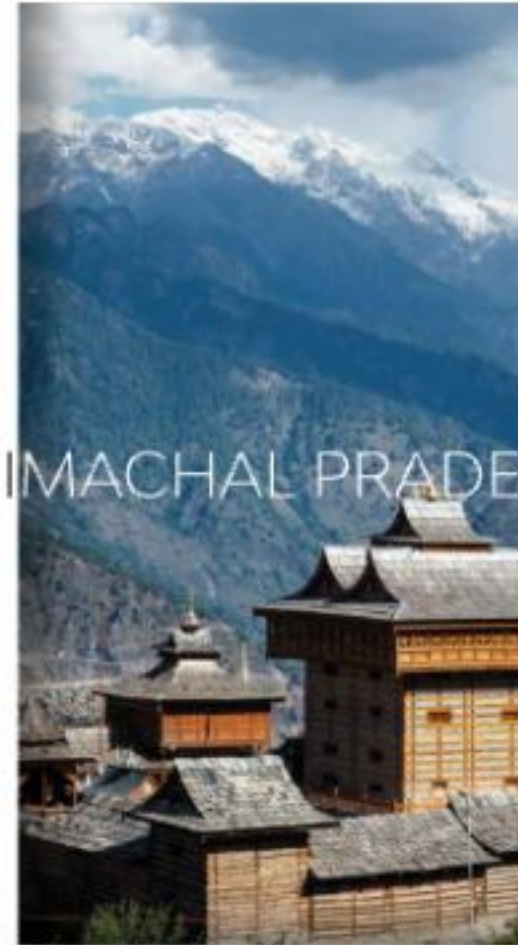

As part of the Virgo family,
our company has a strong track record of
14 YEARS
in the supply of aluminium rolled product

Based in Himachal Pradesh, India,
we have earned the prestigious
ISO 9001 & 14001
CERTIFICATIONS,
reflecting our commitment to quality
and environmental management

HIMACHAL PRADESH

14 years of experience
in supplying aluminium
rolled products

ISO 9001 and 14001
standards for quality and
environmental management

Located in
Himachal Pradesh,
India

QUALITY ASSURANCE:

- Rigorous quality control systems
- In-process controls and testing at every rolling stage
- Involvement of seasoned professionals from the aluminium industry

STANDARDS:

- IS 737, AA standard, ASTM B209, EN-European standard
- Ability to meet diverse quality requirements

INTERNATIONAL PRESENCE:

- Successful product supply to various countries:
- USA, UAE, Portugal, Spain, Africa, Asia, Qatar, Australia, UK, Gabon, Cameroon,
- Ivory Coast, Terna, Colombia, Nigeria, Thailand, Bangladesh, Nepal, and more

COMMITMENT TO CUSTOMER SATISFACTION:

- Customer-centric approach
- Adaptation to market trends
- Ensuring effective response to customer demands

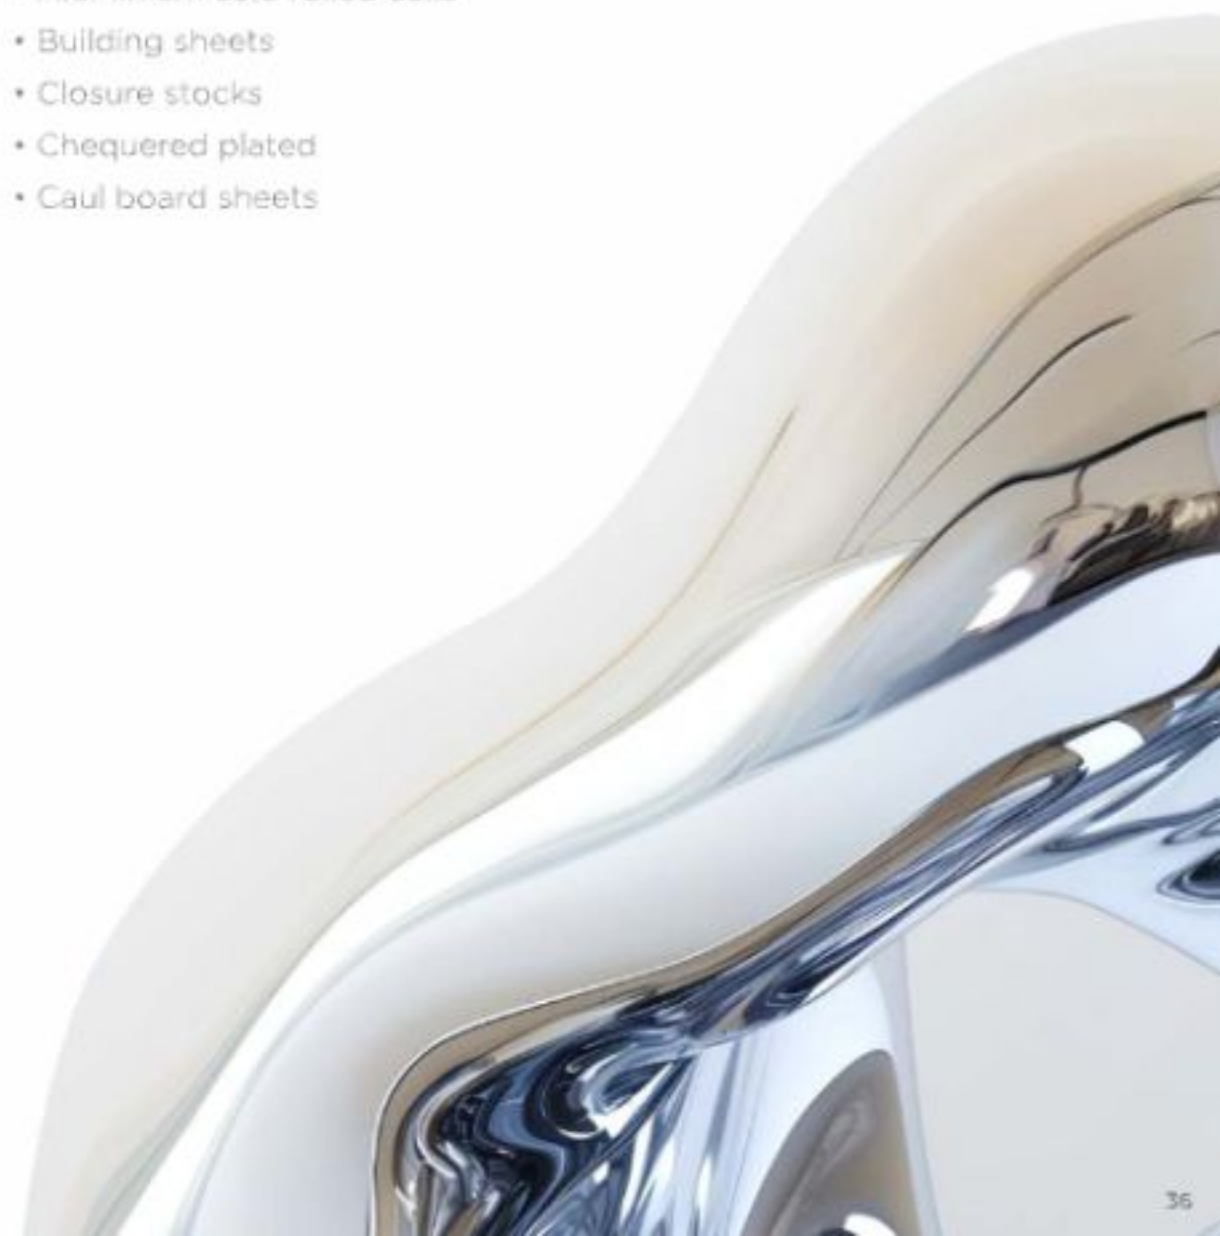

COMPANY'S STRENGTHS:

- Emphasis on quality
- Global reach
- Customer-focused approach
- A competitive player in the aluminium rolled products industry

Virgo Aluminium Limited is a customer focused innovative solutions-driven company which manufactures, processes, and distributes various aluminium products to customers worldwide.

- Aluminium cold rolled sheets
- Aluminium cold rolled coils
- Building sheets
- Closure stocks
- Chequered plated
- Caul board sheets

ALUMINIUM COLD ROLLED COILS/SHEETS

The company continuously upgrades and improves processes to meet growing client demands.

PACKING:

Coils packed eye-to-sky/wall, HDPE/hardboard wrap, hoop iron straps, wooden pallets, silica gel moisture protection.

FINISH:

Roofing sheets in Mill finish only

APPLICATIONS:

- Commercial
- General Engineering
- Bus Cabins and Bodies Insulation
- Cladding in False Ceiling and Paneling (Mill Finish Coils)
- Electrical Busbar Ducting, Transformer Strips, Automotive Engine Heat Dissipation
- Household Utensils & Pressure Cookers

ALUMINIUM

ALUMINIUM BUILDING SHEETS

Virgo Building Sheets are ideal for roofing and cladding **since 2010**. It is easy to use, durable, and economical to work with.

BENEFITS OF ALUMINIUM ROOFING

- Aluminium roofing sheets are extremely light and have a high strength-to-weight ratio
- Aluminium is an increasingly popular choice for use in installations and buildings. It is corrosion-resistant in almost any kind of environment.

WIDTH OPTIONS: AVAILABLE IN VARIOUS WIDTHS (MM).

CIRCULAR CORRUGATED	OVERALL	EFFECTIVE
TYPE I	914	760
TYPE II	1200	988
TYPE III	1250	1064

Length: Provides up to 6000 mm maximum; customizable on request.

- Cladding for Roofs and Walls
- Industrial Buildings, Warehouses, Aircraft Hangers
- Indoor and Outdoor Stadiums
- Insulation and Protection of Fuel Storage Tanks and Industrial Boilers
- Wall Panels for High-Rise Buildings
- Residential Roofing
- Roof-on-roof Roofing
- Exhibition or Pavilions
- Poultry Farms
- False Ceilings

ALUMINIUM CLOSURE STOCKS

ALUMINIUM CHEQUERED PLATES

Virgo's Chequered Sheets are ideal for Bus Flooring and Interior Paneling.

DESIGNS:
Available in Five-Bar & Diamond

MANUFACTURING:
State-of-the-art equipment, advanced process tech, rigorous quality control

PACKING:
Poly-laminated gunny, hardboard, hoop iron straps, pallet

APPLICATIONS:
Bus flooring, interior paneling for trucks, cabins, etc
